The optimal holder for lances

- **Material:** completely stainless steel (surface ground).
- Equipped with rubber buffers, as a stop for the spray gun.
- High quality solid workmanship without welds. Easy self-assembly.
- Dimensions: Height adjustable from 800 to 900 mm, width 710 mm, floor space 260 x 160 mm: The height of the support surface can be adjusted user-friendly by means of 4 flexibly adjustable oval head screws.
- Also suitable for brush lances with a lance length from 850 mm. Also suitable for the storage of double lances!

Noble look:
Polished and brushed surfaces with laser cut easywash365+ lettering.

Easy attachment:

The specified screw holes can be used for fastening. Depending on the condition of the floor, the correct fastening material must be selected.

Individually: Due to the flexible positioning of the 4 pan head screws, the lance support can be adjusted in height.

Column dimension: 260 x 85 mm
Lance support: 800 mm
